Red Lantern Party

In Iditarod tradition, a red lantern is left hanging out at the final checkpoint to present to the last musher and team that cross the finish line—a tip of the hat to the fact that it’s not all about

finishing first; it’s more about perseverance and accomplishment, whether it’s finishing first, last, or somewhere in between! We had an ice skating party at the Dickinson Ice Center on Tuesday to celebrate those finishes. Hopefully some great information was entered into those minds, reading skills improved, and a love for reading a little more deeply ingrained as a result of those hours spent with books. Thanks for joining the run, participants! See some photos from Tuesday on the back side of the newsletter.

Bible Prophecy Seminar Begins

The world around us is changing at a rate unseen before. You’re invited to come learn what the Bible reveals about the times in which we are living and the times into which we are heading. The meetings begin Friday, March 5 at 6:30 pm. A children’s program is available. Please invite your family, friends, and neighbors

to attend. The meetings will be Friday, Saturday, Sunday, Monday, and Tuesday evenings.

New Hot Lunch Day

For a number of reasons, hot lunch day is being moved to Tuesdays beginning this coming week.

Social Studies Fair

The joint education fair that we had planned to do with Bismarck’s Brentwood SDA School has been changed to a local fair for IHAS. The date set for it is the last Sunday of April. Students in grades 3-8

will each select a country of study; grades K-2 will do a joint project with their teacher. For grades 3-8, some classroom time will be scheduled to work on the projects, but a significant amount of study and work on the project will need to be done outside of school as well. See the instruction sheet given to your child for more information. Homeschool students are welcome to join in as well!

The Red Lantern party achieved much greater appeal with the younger set when it was established that we did not need to be able to swim—that under the ice it is just a floor.

Point to Ponder

“As we express our gratitude, we must never forget that the highest form of appreciation is not to utter words, but to live by them.”

-John Fitzgerald Kennedy
