### Social Studies Fair

The projects were due on Thursday for in-class presentations. If your student has not quite finished yet, please put those finishing touches on by Sunday morning! Help your student review the facts about his/her country so they will be well-versed on their information to share with the judges on Sunday.

Students should be at the school by 11:45 am on Sunday to make sure their board and display area are set up like they want them in order to be ready for judging by noon. Please remember your food for sharing samples also.
