School Program

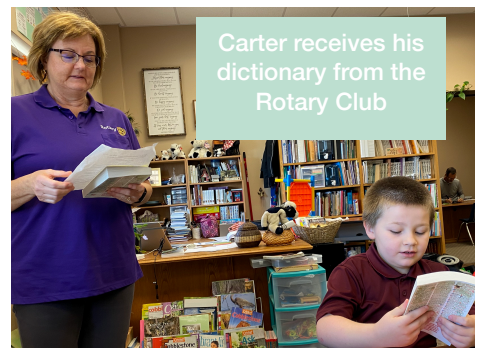

Our school will be sharing "Christmas at the 'White'House on December 17 during the church service. Boys should wear solid-colored pants (black, navy, brown—no jeans, please), a long-sleeved button-up shirt (solid-coloring, striped, or plaid is fine), black or brown (non tennis) shoes, and suspenders. Girls should have ordered their dresses by now or checked with Grandma Laura to make sure they have their outfits covered.

Check out the latest update posted on the little bulletin board by the office door. Thank you to those who continue to give to support this young man.

Mission Fair

The missions fair is Saturday night, December 10. We encourage everyone to get involved making homemade items, edible, wearable, or decorative, for the purpose of supporting worldwide Adventist missions. If you decide to go the edible route, we encourage that the items you make promote good health, please. That evening we will also have vespers at 4:30 pm followed by caroling, hot drinks, finger foods (bring some to share, please), and an opportunity to make decorations for our mission tree. The projects we have chosen for this year's fair are a church building project in Guatemala (with missionaries Miguel and Wilma Chavez) and sponsoring blankets for Ukrainians this winter through Outpost Centers International (an SDA organization).
