Week of Prayer: "Child of God"

We were blessed this week when Pastor Jason shared the Word of God and the emphasized the role it plays in us being children of God. On Monday, Pastor illustrated, through the prophecy about Cyrus, that what God

says in the Bible always comes to pass. On Tuesday, he showed us that the Word of God also refers to Jesus who is the Way, the Truth,

and the Life. Our pathway to being set apart as a child of God is through Him! On Wednesday, Pastor Logan shared from the Bible how important children are to Jesus. He also shared that as children of God, we show our love to Him by obedience to Him and to our parents. On the final day of our Week of Prayer, Pastor focused on the story of Daniel and how he and friends purposed in their hearts as young men to be faithful to God and to not defile their bodies with anything impure. Pastor challenged the students to purpose in their hearts now to be true to God and by His power to make choices that honor Him for their whole lives. Thanks so much, Pastor, for your time with us this week! We were blessed.

You can search our library holdings online using the above URL. You can browse by title, author, or subject. If you see a book you'd like to check out, contact Mrs. Wright, and we can make it happen.

PoetTea

You are invited to IHAS's first PoetTea. The students will be memorizing and perhaps even composing some original poetry which they will share with you at a Tea Party at the school on May 15 at 4:30 pm. On this day, rather than picking up your students at 4, come a little later, enjoy some tea and dainties while you listen to inspiring recitations by your children. Parents, grandparents, church family—anyone is welcome, but please RSVP by May 8 so we know how many places to set and how much tea to brew! RSVP slips will be sent home in Thursday folders, or you may get one from the foyer rack (or text Mrs. Wright to reserve a seat).

Next Year

Let us know what your plans are for next school year by completing the form that was sent home with your child in his/her Thursday packet or grab a form from the foyer rack. There is a benefit to you in that your child's spot is reserved and you save \$50 per child if you pay the early bird fee of \$200 by June 15. The school benefits in that the teachers can better prepare for the coming year when they know who will be there.

“The study of the Bible taxes the mind of the worker, strengthens the memory, and sharpens the intellect more than the study of all the subjects which philosophy embraces. The Bible contains the only truth that purifies the soul, and is the best book for intellectual culture.”
