You can search our library holdings online using the above URL. You can browse by title, author, or subject. If you see a book you'd like to check out, contact Mrs. Wright, and we can make it happen.

## Last Day of School Lunch

For the final day of school, the students have voted to have pizza once again. Please send \$5/per student to school to help cover the expenses.

Wed., May 24	Last Day of School
Tues., June 15	Early Bird Registration Ends
Mon., August 21	First Day of School, 2023-24

## PoetTea

On Monday we will hold the first IHAS PoetTea. The students will be sharing poetry at a Tea.

Party at the school on May 15 at 4:30 pm. On this day, rather than picking up your students at 4, come a little later, enjoy some tea and dainties while you listen to inspiring recitations by your children. Parents, grandparents,

church family—anyone is welcome, but please RSVP by May 8 so we know how many places to set and how much tea to brew!

### Next Year

Preregister by June 15 and save \$50 per child if you pay the early bird fee of \$200 by June 15.

### Poster Contest Entries

The 5th and 6th Grade ladies made these lovely posters for a contest sponsored by the Women's Christian Temperance organization.

### Labels Make Cents

Thanks to those who continue to save labels from Loma Linda canned vegetarian food products. This month a total of 1,061 labels were submitted and we should be receiving a check of \$265.25 Atlantic Natural Foods for our school. For those who use Loma Linda foods, but haven't yet been a part of this program, all you need to do is snip the bar code (beginning with 45561) from the can and give it to Mrs. Wright. Also, we just received a check from the **BoxTops for Education** Program through General Mills. Thanks to those supporting us in that way!

### Interesting Study

A 2019 analysis by a University of North Dakota professor found that students of all ages absorb more information when they're reading directly on paper. An international analysis also concluded that paper beat screens by over a fifth of a standard deviation.
