Invitation Hill's 3rd Ice Structure

We had a beautiful day in which to build the most recent of Willie Hale's ice architectural wonders. As per usual, the weather following the construction day has been quite spring-like. It's hard to decide whether to be happy or sad about the sunny days! Thanks to the Hales for all the time and energy invested in this project. It was a lot of fun!

Angel 37 Dinner

Another fun event spearheaded by Mr. Hale was the Angel 37 dinner. It was quite a spread laid out before the diners that evening. Some of them shared the sentiment that it was the best dinner they'd enjoyed there, so thank you to everyone who cooked, bought, chopped, served, etc. to make the evening a success. Our next Angel 37 dinner is scheduled for June 18, so mark your calendars and plan to share in this ministry opportunity. See the back side for photos.

Amen Pantry

A pantry worker told me that each client that comes through takes an average of 120-125 of food. We tipped the scales at 62 pounds on our February trip to Amen and only 41 pounds on our visit this week. We would really like to take at least 125 pounds of donations each time with the idea that we sponsor the visit of one person each month. If we each bring some, that's not much expense at all. Please help us help those in our community who are going through a tough time.

March Social Coming Up!

We hope you will join us for the next school social on March 30. We are calling it the March March, Movie, Munchies, and Maxball. We will begin with vespers at 5:30 for which we will be showing an inspiring film. Following that we will have some munchies (please bring food to share pot-luck-style) and then our March March led by the Wrights. We will end the evening with a rousing game of Maxball (it's fun and anyone can play or you can watch and cheer the players on!).

Music Festival

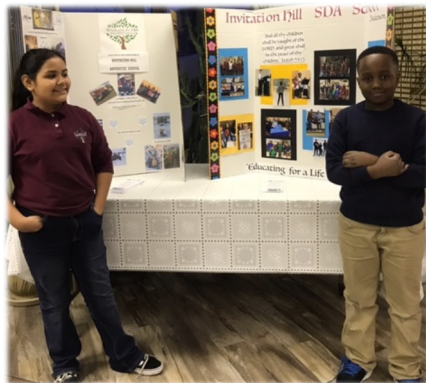

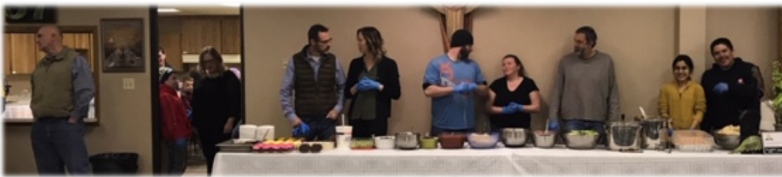

See the reverse side for pictures of grades 5-9's adventure at DAA for music festival. We are already looking forward to next year's!
