Offerings April: \$14.97

Education Sabbath II

Our students will be having the entire worship service on Sabbath, so please plan to be there as each student has a part to play. **Parents: If your child is not able to be there for some reason, please let Mrs. Wright know right away.**

Kindergarten Visitation Day

We invite all students who are of age to enter kindergarten next school year to come spend some time in the K-2 classroom. Ms. Hay and her students are planning fun activities to give a taste of the kindergarten experience! Please notify Ms. Hay or Mrs. Wright if you plan for your child to attend. The event is scheduled for Tuesday, April 30 from 8-12 am.

Hospital Tour

On Thursday we went to CHI St. Alexius Health Medical Center for a tour. A volunteer, Ms. Irene, showed us all over the hospital: through the

ER area, out to the helicopter, into the ambulance bay, through radiology where we saw CAT scan and X-ray machines, into the laboratory, through the rehabilitation area where we saw the equipment they use for physical therapy and cardiopulmonary rehabilitation (including a ther-

apy pool), and finally into the obstetrics area where we got to see a couple of newborn babies. It is a beautiful facility, and it was neat to get a look behind the scenes. See more photos of our outing on the backside of the newsletter.

Living History Museum Day

We hope the whole church family will come to our Living History Museum which will be presented on Sunday, May 5.

We will begin with a soup and sandwich lunch at noon. Please bring soup and/or sandwiches if you would like to enjoy a meal with us. Then at 1:30 pm, the students will begin their presentations. Mrs. Ezsler and her students from the Brentwood Adventist School in Bismarck are coming to share their projects as well.

Upcoming Field Trip

On Thursday, May 9, the upper grades will get a tour by the City of Dickinson waste management department from 1:30-2:30 pm. The burgundy school shirts should be worn for this outing.

Amen Pantry

Thanks to those who have generously donated items for our trip last Tuesday to Amen. We weighed in at **227** pounds! It felt really good to take in so many boxes and bags of items.

Merry Mondays & Twinkie Wednesday

We are nearing the end of another school year already. The students suggested that it would be fun to have some out-of-the-ordinary days, so here is what we planned:

Monday, April 29 —Foofaloof Hair Day: style your hair like it's never been styled before

Monday, May 6—Hat Day: you have permission to sport your favorite and/or most creative headwear on this day.

Wednesday, May 15—Twinkie Day: get together with a friend or two and dress like twins.

Monday, May 20—Backward Day

School Constituency Meeting

We will be having a school constituency meeting on Sunday, May 19, in conjunction with our church business meeting. We have some items to discuss with our church family (who is our constituency!), and we want to share with you information regarding your school. Please come!

School Picnic & Baseball Game

Following the constituency meeting on May 19, we are planning on having our 3rd annual school picnic and softball game. Hopefully the weather will be beautiful like last year. If you have mitts or bats, please bring them. If you have other outdoor games you like, bring those too. For the picnic, please bring food to share. We plan to begin eating between noon-1. We will meet at Gress Softball Complex, (by the dog park) where we played last year. It is located at 455 8th Ave E.

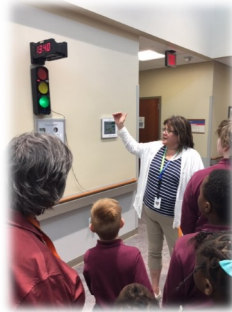

Top left: Ms. Irene met us at the front door.

Left: Fortunate and Milo buddy up for the tour through the hospital.

Top right: Alyna gets a chance to sit in the helicopter as the paramedic and flight nurse look on.

Top left: The "yack tracker" alerts folk in this area if the noise level gets too high.

Top right: the nursery
