Educating for a Life of Service

Thank You, Ms. Bobbylee!

We are so grateful for Bobbylee who has spent several afternoons at the school in

the past few weeks teaching the upper graders painting techniques and helping them make some beautiful items. Her

patience and skill are outstanding; we appreciate her willingness and helpfulness so much.

A Time for Giving

For the past three years we have picked a few special projects through ADRA (Adventist Development and Relief Agency), and this year we will do the same.

Project A: \$5/goat share or \$40/1 goat to provide a family with a goat

Project B: Chickens and eggs; \$5/chick

Project C: You can help by donating toward a new well being dug in a village. \$5/share or \$10,000/new well

Project D: Your gift turns plastic bottles (filled and encased in concrete) into homes for families with no other options. \$1/bottle or \$35/square foot of a new home

Project E: You can give them warm, delicious meals at school so they don't have to go hungry. \$5 to give a meal to 12 kids
At our school social on the evening of the 21st, you will have the opportunity to buy things the students and staff have made to help the students have something to give to support these projects.

Also, if you have any homemade items you would like to enter in the sale, they would be welcome.

Christmas Program & Social

Due to a wave of sickness that passed through the students, our school program was postponed until next Sabbath, December 21. It will be during the worship service. Students will be wearing costumes provided by the school. They should wear light-colored, lightweight clothing underneath that will not cause them to be too warm. Please be at church by 9:15 am that morning. That evening, meet at the church at 4 pm for vespers. Then we will go out into the neighborhoods of Dickinson to spread good cheer by caroling. Following that, we will return to the church/school for food and the mission sale and games.

Holiday Celebration

Our final day of school before break is a full day. That afternoon we will have class parties here at the school.

- * We will take up a special offering for Javier to cover December expenses plus extra for his Christmas gift.
- * We will have a small gift exchange. For this, each student should bring a gift that costs \$3-5. It may be something you already have at home or it may be something new. Please wrap/bag it, but do not write any names on it. If it is a boy or girl specific gift, please indicate that. We will play a game with the gifts.
- * We will have pizza for our holiday lunch. See the menu at right to see what to bring for that.

Nursing Home in Richardton

On December 20 (the Friday after the last day of school before break), we are going to take a portion of our Christmas program on the road. We will work out transportation for those whose parents are not able to go along. The program is sometime between 2 and 4 pm; we will let you know more about pick-up/drop-off times when we know the precise start time.

CHUCKLE BIT:

Q: What did the man say to the wall?

A: One more crack like that and I'll plaster you!
