Educating for a Life of Service

## Good-bye, Lunch & Library Lady Katie!

We wish Miss Katie the best as she heads off to Columbia to share her talents and time in starting up a mission school there. We will miss her here, but we are SO grateful for the time and love she put into our library and our hot lunches. God be with you until we meet again!

## A Time for Giving

These are the mission projects for this year:

**Project A:** \$5/goat share or \$40/1 goat

**Project B:** Chickens and eggs; \$5/chick

**Project C:** Donate toward a new well being dug in a village. \$5/share or \$10,000/new well

**Project D:** Your gift turns plastic bottles into homes for families with no other options. \$1/bottle or \$35/square foot of a new home

**Project E:** \$5 feeds 12 needy kids for a day

At our school social on the evening of the 21st, you will have the opportunity to buy things the students and staff have made to help the students have something to give to support these projects.

Also, if you have any homemade items you would like to enter in the sale, they are welcome.

## Christmas Program & Social

Due to a wave of sickness that passed slowly through the participants, our school program was postponed until this Sabbath, December 21. It will be during the worship service. Students will be wearing costumes provided by the school. They should wear light-colored, lightweight clothing underneath that will not cause them to be too warm. **Please be at church by 9:15 am that morning.** That evening, meet at the church at 4 pm for vespers. Then we will go out into the neighborhoods of Dickinson to spread good cheer by caroling. Following that, we will return to the church/school for food and the mission sale and games.

## Nursing Home in Richardton

Tomorrow (Friday, December 20), we are going to take a portion of our Christmas program on the road. We will work out transportation for those whose parents are not able to go along. The program is at 3:30pm and we will head back to Dickinson shortly after 4 pm.
