MAPS Testing

Adventist schools have transitioned to online testing as opposed to the traditional "fill-in-the-bubble" standardized testing that has been a part of our routine for many decades. This week our students took tests in the areas of math, reading, and

science. The hope is that the results, in part since they are ready within 24 hours, will be more helpful in goal-setting and achieving growth. Some students reported missing the bubbles, but most appreciated the online version. Another new element is that all grades test rather than just grades 3-8. We will take these tests three times throughout the year.

Student Writing

"Patterson Lake" by Josiah Kuzvinzwa (Grade 3)

When we got to Patterson Lake, we first ate our lunch. Then we went to play at the park. After that we got to go ride our bikes. Woohoo!

"Thank You, God" by Alyna Ratliff (Grade 3)

I thank You, God, for giving me a bunny. I feel Your love. You take good care of me. I feel like You are coming soon. I like the song, "Jesus Is Coming Soon."

"Plane Ride" by Fortunate Majada (Grade 5)

When I was six, I went on a plane from Africa to America. My experience was great. At the back of the seat there were movies and games. We were given earphones. For the whole night I was playing. Then my ears started hurting. I cried a lot. Then this missionary gave me gum and it helped a lot.

Favorite scent: vanilla Worst scent: my baby cousin's diaper
 Favorite hymn: *I'm a Pilgrim* Favorite hot lunch: Grandma Laura's mushroom ice cream
 My dad is my hero because he is nice and helps people.
 I am proud that I have learned how to take care of myself.
 I think an interesting person from history is Moses.
 If I could choose a name for myself, it'd be Erica.
 I think 18 is the best age to be so I can dye my hair.
 In the future, I'd like to be a baby sitter.
 I am afraid of snakes, but seeing my family makes me happy.
 My mom makes me feel loved when she tells me she loves me.
 I like to give gifts to people.
 Cars are my favorite way to travel. If I get to spend all day outside, I spin on the tire swing.
 Flies by my ears bug me.
 A language I wish I could speak is Spanish.
 If I were a teacher, I'd teach my students to pay rent.
 When I grow up, I can't wait to drive. If I were a parent, these would be my top three rules: 1) always share, 2) listen, 3) no fighting.
 If I had a store, I'd sell Bible stuff. I would like to let everyone know that I love bunnies.
