### Nathan Greene Artwork

Have you noticed the

beautiful artwork just down the hallway? Last spring an opportunity was presented to Adventist schools to receive these giclees of Nathan Greene's *Days of Creation* series. To receive our free set, we submitted an essay explaining why we at IHAS believe it is important to teach how our world was created and why we would like to have these prints in our facility. 300 sets were available to be given to Adventist schools across the country. A "giclee is the first and only fine art print to be made with an ink jet printer. Pronounced 'zhee'clay' the word comes from the French, meaning to spray, which is exactly what an ink jet printer does. The quality of a giclee print is far superior to all other forms of printing" (Source: Google). We are thrilled and blessed to add these lovely works of art to the other Nathan Greene paintings we have in our building. And we are very

grateful to Hart Research Center for making these available.

### Christmas Program

You are invited to attend our Christmas program on Sabbath, December 12 during the church service. The service begins at 10:40 am. Students should be attired in the usual choir uniform: white blouses/shirts and black skirts/pants. All participants should be at church by 9 am for warm-ups. You are encouraged to invite your friends and neighbors to come enjoy this program in which Jesus will be the theme of our praise and worship.

### Mission Projects

We are just about out of time to make special items to sell for the benefit of various mission projects. Items we would like to offer (but we need your assistance in making) are things that are useful, healthful, inspirational and, ideally, homemade. If you are unable to make something, please consider donating to the worthy projects anyway.

**Points to Ponder**

“Without courage, wisdom bears no fruit.”  
 –Baltasar Gracian

**Chuckle Bits**

Q: Where do you weigh a pie?  
 A: Somewhere over the rainbow, weigh a pie.

**Technology Need Met—Thank You!**

Thank you to whomever stepped up to sponsor enough Chromebooks for us to meet our current student demand. Mr. Hovorka was able to find us a great deal so we ended up paying a little less than we did for the Chromebooks last year even though they have lately been about twice the price. Praise God from whom all blessings flow. Thank you, donors, for being conduits of God’s resources.

- Daddy is my hero because he kills bad bugs.

I am proud that I can color a blue jay.  
 I think an interesting person from history is my daddy’s grandma.  
 If I could choose a name for myself, I’d choose Matthew (I like my name right now). I try to keep Javeigh from falling off the circle swing.  
 I think 60 is the best age to be because I’m big.  
 In the future, I’d like to be a fire fighter.  
 I am afraid of mean spiders, but getting Legos makes me happy.  
 Being with my Nana makes me feel loved. The thing that bugs me is fleas.  
 I like to give my mom flowers.  
 Airplanes are my favorite way to travel.  
 If I get to spend all day outside, I’d play on the playground.  
 A language I wish I could speak is Chupon–pacifier Spanish.  
 If I were a teacher, I’d teach my students to have fun and play at playground.  
 When I grow up, I am most eager to play basketball.  
 If I were a parent, these would be my top three rules: 1) don’t touch fire; 2) don’t listen to other people you don’t know 3) don’t eat bugs  
 If I had a store, I’d sell all kinds of toys.
